

Curriculum vitae

Dr. Candidate of Medical Sciences Stanislav Vafin

Education and Professional career:

- | | |
|--------------|---|
| 1993-1998 | Study and state examination in Moscow Dental State University |
| 1998-2000 | Residency in Moscow Dental State University prosthetic department |
| 2002-2005 | Post graduation study in Moscow Dental State University of prosthetic department |
| 2006 | Dissertation - «Clinical use of dental sittings by «CEREC» system», Moscow Dental State University of prosthetic department |
| 2000-2009 | Research Officer in material laboratory of Moscow Dental State University, Doctor in prosthetic department |
| 2009-2014 | Moscow Dental State University
Chief of material laboratory |
| 2009-2017 | Prosthodontics, gnathology
Bosco Clinic, Moscow |
| 2017-present | Associate Professor of prosthetic department in People's Friendship University of Russia |
| 2017-present | Swiss Smile Moscow clinic
Co-Owner, Chief Doctor, prosthodontics, gnathology |

Membership in professional organisations:

- International College of Craniomandibular Orthopedics (ICCMO)
- European Association for Osseointegration (EAO)

List of Publications:

- S. Vafin, S.Anisimova, T.Kovalskaya, I.Lebedenko. «Clinical use of dental sittings by «CEREC» system». Actual questions of clinical medicine, conference proceedings of SRMDI-M, 2005, p 11-13;
- S. Vafin. «Color and its determination in everyday practice of Dentist and dental technician». J. «LAB journal for dentist and dental technician» S-Petersburg, 2005 p. 14-17;
